

# OCTOBER NEWSLETTER

Sundre Daycare Centre

Where did relaxing by the pool and 30+ weather go?? Time sure fly's by when you're having fun in the sun! Now it is time for layers and curling up next to the fire with a hot cup of coco and a good book! SDC has been keeping busy, as of October 1st, we officially have 104 children in our care and support 72 different families! We would like to extend a big thank you to all that have supported SDC over the past year and continue to do so. As SDC's family continues to grow, so do our operations costs. SDC heavily relies on fundraisers like the "50/50 Cash Raffle" to help keep costs low and affordable for our families. SDC is always accepting cash donations and looks forward to your participation in fundraisers!
