

Welcome to SDC Out Of School Care (School Age 6-12)

Our Out Of School Care Program offers a safe, engaging, and fun-filled environment for children on non-school days. Designed to cater to the needs of school-aged children, our program provides a variety of stimulating activities that promote social, emotional, and intellectual development. In addition to our regular activities, we organize special events and outings, such as field trips to make every non-school day an adventure. Our goal is to provide a balanced mix of fun and educational experiences, helping children build lasting friendships and develop important life skills.

What to Bring:

- A lunch with plenty of healthy snacks and a tasty main course
- A water bottle labeled with their names
- Closed toed indoor shoes
- Weather-appropriate outdoor gear
- Extra clothes for messy play

Your child will have a designated cubby where you can store their personal items. This way, you won't need to bring them back and forth each day.

Getting Involved and Communication:

We promote open communication between parents and teachers. You're welcome to talk directly with your child's educator for any questions or concerns. Additionally, you can use our Lilio app to message your child's educators directly. If your child's educator is unable to address your issue or answer questions, please reach out to our Executive Directors at sundredaycare@gmail.com.

Policies and Procedure:

Detailed information about our parent policies and procedures is available in our Parent Handbook. This handbook covers our sickness policy, outdoor play guidelines, invoicing procedures, and other important topics. You can locate this document on the information page of our website or request a copy by emailing sundredaycare@gmail.com.

If you're interested in getting involved, the Sundre Daycare Centre is backed by a non-profit board of directors. This dedicated team of parents and community members convenes regularly to review policies, support the Program Director, and oversee the organization's operations. If you wish to join the board of directors, please reach out via email to sdcvkbod@gmail.com.

We look forward to a wonderful journey of learning and growth with your child at Sundre Daycare Centre!
